## Move-It-Yourself Made Easier

(NAPSA)—Millions of household moves take place each year in the U.S. If you are among the do-it-yourselfers, here are a few tips to get you started:

- **Truck selection.** Most movers find the 12- or 16-foot truck perfect for moving a few large items or the contents of a small condo or apartment. For guidance with larger moves or your truck selection, visit [www.GoPenske.com](http://www.GoPenske.com).

- Reserve your truck at least two weeks in advance.

- Pack smart, loading the heaviest items on the truck first.

- Mark your boxes as you pack, so it's easier to put them in the right room when you unload.

- To ensure a smooth moving day, pick up your truck a day early and practice driving it.

- Take extra precautions, especially when the truck is loaded. Use caution near low-hanging tree branches and building overhangs and when cornering. Park in well-lit areas and padlock the rear door.

- Make safety and security a priority. Trucks are taller, wider, heavier and require more stopping distance than the vehicle you are used to driving. Drive slower and
