

Ageless Beauty? 40+ Model Search

(NAPS)—Movie stars and models are now being celebrated for their ageless beauty, so why not you? *More Magazine* and Wilhelmina Models are teaming up for their second model search celebrating ageless beauty. Modeling, a profession once reserved for women in their teens and twenties, is now an option for women over 40. The *More Model Search* is open to all women between 40 and 60 years old and launches in the February issue of *More*. All entries must be received by April 16, 2001.

Ten finalists will travel to New York City in June to compete for three guaranteed modeling contracts and prizes worth over \$70,000. Finalists will also receive a full model-makeover from Estée Lauder and a top New York salon. They will also meet the editors of *More* and Wilhelmina agents. The three finalists chosen in June will receive a modeling contract and an appearance in *More Magazine*.

Entry forms for the search are located in the February and March issues of *More Magazine*, and on the Web sites ThirdAge.com and wilhelmina.com. For more information call 800-858-3014.
