ENVIRONMENTAL NEWS AND NOTES

DO YOU WANT TO MAKE A NEW YEAR'S RESOLUTION THIS YEAR THAT'S EASIER THAN DROPPING POUNDS? YOU CAN DROP YOUR WATER USE WITH THREE SIMPLE STEPS: JUST CHECK, TWIST AND REPLACE. CHECK TOILETS FOR SILENT LEAKS; TWIST ON A FAUCET AERATOR; OR REPLACE AN OLD, WATER-HOGGING SHOWERHEAD WITH A WATER-SENSE-LABELED ONE. RESOLVE TO SAVE WATER AND MONEY IN 2011. TAKE THE "I'M FOR WATER" PLEDGE ON THE E-P-A WATER-SENSE FACE-BOOK PAGE OR VISIT E-P-A--DOT--GOV--SLASH--WATER-SENSE.
