BEWARE THE FLOODED CAR

EVERY YEAR, TENS OF THOUSANDS OF CARS ARE DAMAGED BY FLOODS. MOST END UP BACK ON THE ROAD AND SOMETIMES THE USED CAR MARKET. FORTUNATELY FOR USED CAR BUYERS, THERE ARE TELLTALE SIGNS. CHECK THE TRUNK, DASHBOARD AND GLOVE COMPARTMENT FOR SILT, MUD AND RUST. SEE IF THE UPHOLSTERY AND CARPETING ARE STAINED, FADED OR LOOSE. TEST THE ELECTRICAL SYSTEM. CHECK FOR MUSTY ODORS. GET A DETAILED CARFAX VEHICLE HISTORY REPORT. IT CAN REVEAL MANY HIDDEN PROBLEMS. LEARN MORE AT FLOOD--DOT--CAR-F-A-X--DOT--COM.
