CAR CORNER

EVERY YEAR, THOUSANDS OF CARS DAMAGED IN FLOODS END UP BACK ON THE ROAD. FORTUNATELY, BY DOING A LITTLE HOMEWORK YOU CAN AVOID BUYING ONE. TO HELP, HERE ARE SOME TIPS: FLEX THE WIRES BENEATH THE DASHBOARD. WET WIRES WILL BECOME BRITTLE AND MAY CRACK. TAKE A DEEP BREATH AND SMELL FOR MUSTY ODORS FROM MILDEW. ASK TO SEE A VEHICLE HISTORY REPORT. FOR EXAMPLE, CARFAX REPORTS CAN REVEAL IF A VEHICLE HAS REPORTED FLOOD DAMAGE. TO LEARN MORE, VISIT CARFAX--DOT--COM.
